Imperial Feast Wine Dinner, 13 Aug 2015, at Suncity Luxury Club, Jakarta

Dear Members,

Hope all of you had a great summer holiday filled with great food and delicious wines! Since we last met, IWFS has had quite a number of new members joining us. Welcome to all of you.

This month IWFS dinner is as unique as others. Suncity Restaurant is located in the heart of Chinatown in Jakarta and serves high end Chinese cuisine. For IWFS dinner, they are creating a special Imperial Banquet menu, with dishes that the Chinese Emperors used to eat.

All the dishes are handpicked amongst their best, and the highlight will be Fo Tiao Qiang (佛跳墙) Soup, known as the traditional *Buddha Jumps Over The Wall*. Ancient tale where the name is derived said that the fragrance of the soup is so irresistible that Buddha jumped over the wall to have a taste of it. The Roasted Baby Duck is one of their specialties that people all over Jakarta specifically goes to the restaurant for.
