CAPITAL BRANCH The Branch for the 21st Century NEWSLETTER No 59

Well, they let us out again! Members found 'being held at Her Majesties pleasure' at 'Clink' a very interesting experience. Unfortunately there are no pictures of our incarceration as 'due to press restrictions' we were not allowed cameras or camera phones inside. The food was good and service excellent. One of the young waiters in charge of our table was due for release shortly and was seeking a job at Chewton Glen. We told him that on his performance today he will be able to show them a thing or two down there. He said that is what another of his customers had told him! They are doing a very worthwhile job and deserve supporting.

Saturday 3rd December 2011 Capital Branch AGM & Christmas Party at Brunsden Farm, Heath Ride, Wokingham, Berkshire

They say the best things come in small packages, and your chairman is into Canapés at the moment so, for our AGM/Christmas Party this year, we have decided to have lot and lots of bite-sized morsels. There will be the equivalent of five courses - soups, fishes, meats, cheesy and delicious sweet nibbles to finish, all served in bite sized pieces. These will be served with wines from the branch cellar. We will start with the Branch Bubbly then move on to see how some of the other branch wines are maturing. Don't worry you won't need to stand around all evening. Once the AGM business is over (this usually takes 20mins) we are hoping this will be a cosy informal social occasion at which we can all sit down, relax and enjoy putting the world to rights. If any members have a favourite canapé or nibble they would like to bring along please let me know, the more the merrier. We promise you won't go home hungry.
