Dear International Wine & Food Society Member,

PARIS, FRANCE needs no introduction. It’s synonymous with food, culture, fashion, and architecture, rarely disappointing those who visit. To truly understand Paris, you have to immerse yourself in the city’s artistic culture. Beyond the Louvre and the Musée d’Orsay, you can get your culture fix at the renovated Picasso Museum and the new La Fondation Louis Vuitton, not to mention dozens of small museums and galleries.

Designed by the American architect Frank Gehry, it falls in line with the Groups’ efforts to promote art and culture over the last 20 years. A private cultural initiative, La Fondation Louis Vuitton's aim is to promote and support contemporary artistic creation for a wide French and international audience. This great architectural exploit has already taken its place among the iconic works of 21st-century architecture.

Cruise lunch on a private yacht discovering Paris… from the river!

Enjoy a 3-hour cruise along the River Seine on board a private chartered river boat which will sail past many of the city’s most famous buildings and monuments including the Eiffel Tower, Grand Palais, Assemblée Nationale and Musée D’Orsay. It will sail around the Ile de la Cité upon which rests Notre Dame, which was sadly damaged by fire a few weeks ago. Lunch will be served on board.

An ode to a Paris of sparkling lights and glittering feathers. Welcome to the Paris Merveilles revue, the new show from director Franco Dragone. Sensual, intimate, elegant and spectacular, this waking dream will take your breath away and leave you dazzled. A fantastic whirlwind of technological wizardry led along by the most beautiful girls in the world. Queue-cutter access & greeting and privileged seating for one of the most renown Parisian cabaret.
